

McLEAN SCHOOL *of* MARYLAND

NEW STUDENT

HEALTH ROOM ASSESSMENT REQUIREMENTS

All forms must be returned no later than July 31.

- Physician's Examination form (Current School Year).
- 2 Emergency cards (both sides completed).
- Maryland Immunization form.
- Copy of the Hearing and Vision Screening form. This can be obtained from the student's current/previous school.
- Medication Authorization form for any prescription and/or OTC medication to be given at school. Emergency medications must be in the Health Room **before the first day of school.**

Medications must be in the pharmacy container or in the original unopened manufacturer container. Plastic bags will not be accepted. Students are not allowed to carry medications with them or to transport medications to the Health Room.

Students who stay after school for sports or PE must have a separate inhaler or Epi-pen for the Athletic department in addition to the medication kept in the Health Room.

A parent/guardian signature is required on the Physician's Examination form, both Emergency cards and the Medication Authorization form.

Your child will not be allowed to start school until all forms are in the Health Room and completed to our satisfaction. Forms (except Emergency Cards) are available on our web site www.mcleanschool.org under Parent Center/Forms.
